PLAN REVIEW FEES AND INSPECTION FEES

A minimum of two on-site inspections (one before piping and utilities are enclosed and one final inspection). Projects of two or more stories will normally require additional inspections due primarily to construction phasing. The required number of inspections will be mutually determined after the submittal of preliminary drawings. However, an inspection before enclosure of pipes and utilities is required.

Each additional inspection required or each additional inspection requested by the facility shall cost \$559.00 plus mileage in accordance with the current state rate, for travel to and from the site by the Department representative.

HOSPITALS

Number of Beds	Plan Review Fees	
Up to 16	\$ 3,445.00	
17 to 50	\$ 6,890.00

UTAH HEALTH CARE FACILITY LICENSING FEE SCHEDULE

Effective July 1, 2021 - June 30, 2022

(Information Only)

PLAN REVIEW FEES FOR REMODELS OF LICENSED FACILITIES

The plan review fee for remodeling an area of a currently operating licensed facility that does not involve an addition of beds, operating rooms or service unit, or other clinic type facilities:

Hospitals and Freestanding Surgery Facilities: \$.29 per sq. ft.

All others excluding Home Health Agencies: \$.25 per sq. ft.

Each required on-site inspection: \$559.00 plus mileage reimbursement in accordance with the current state rate.

OTHER PLAN REVIEW FEE POLICIES

- If an existing facility has obtained an exemption from the requirement to submit preliminary and working drawings or other information regarding compliance with applicable construction rules, the Bureau may conduct a detailed on-site inspection in lieu of the plan review. The fee for this service will be \$559.00 per inspection plus mileage reimbursement in accordance with the current state rate.
- A facility that uses plans and specifications previously reviewed and approved by the Bureau will be charged 60% of the scheduled plan review fee.
- \$.52 per square foot will be charged for review of facility additions or remodels that house special equipment such as a CAT scanner or linear accelerator.

TERMINATION OR DELAY OF PROJECT

If a project is terminated or delayed during the plan review process, a fee based on services rendered will be retained as follows:

- Preliminary drawing review 25% of the total fee;
- Working drawings and specifications review 80% of the total fee;
- If the project is delayed beyond 12 months from the date of the Bureau's last review, the applicant must resubmit plans and pay new plan review fees in order to renew the review action.
